San Diego Speed Networking

On **Thursday, September 25th**, San Diego Speed Networking is back in full swing with its second event at one of the newest and sophisticated venues in downtown San Diego, EXY! An innovative twist on networking events will take place, bringing together many businesses, organizations, and entrepreneurs in an event that will define the future of networking in San Diego.

This style of networking is becoming increasingly popular in major business hubs across the nation. Speed networking events have grown because they actually work in helping companies, individuals, and organizations reach their business goals.

In any business, face to face interaction works as an effective tool to get your message out to a large and diverse audience, and connections are established within minutes. At San Diego Speed Networking, two representatives from each company have the opportunity to meet with many organizations, businesses, and entrepreneurs in one event!

This event will take place at EXY Restaurant and Lounge, located at **798 Sixth Avenue**. It will **begin at 4:00pm** and continue until 7:00pm. To participate, please register at www.sandigospeednetworking.com.

San Diego Speed Networking is an innovative networking event company, specializing in diverse professional events.
